At fifteen I fell in love. His name was Jake Stephens and he took the abandoned, lonely girl I had been and made me whole. His love was a pure and unconditional love that made every day better than the lastâ€”a fairy tale of my very own.

But this story isnâ€™t about Jake. Itâ€™s about Abel Madden; the man I meet after the fairy tale goes to hell. A cocky, arrogant man who says what he wants, does as he pleases, and makes no excuses for it. He irritates meâ€”downright pisses me off at timesâ€”but he also brings me back to life.

My name is Sidney Ellis and this is my story of finding love twiceâ€”the first when I needed it most and the second when I never saw it coming.
